1.0 RESEARCH POLICY

The Research Policy dated 08.03.2023 has been revised after careful deliberation and discussion, taking into consideration the opinions of the faculty members and following the final approval from the Leadership Development Committee. The existing policy shall stand cancelled with effect from 31.10.2025, and the revised Research Policy will come into force on 01.11.2025.

1.1 Introduction

LEAD College, Palakkad, Kerala is committed to providing quality research culture in the institution. The Research Policy of the institution establishes standard norms for conducting research effectively and safely. The policy aims to contribute to capacity building by encouraging the research aptitude of the faculty members and students and by implementing advanced research methodologies. The policy helps to develop a unique incentive scheme to reward the faculty members and students for the research and publication related works carried out in the respective year.

The policy may apply to:

All the staff member (teaching and non-teaching) and the students who are appointed/enrolled in LEAD College. (Applicable to faculty members who are all on roll of the institution at the time of publications)

It is applicable for all papers/articles published by the institution members in ADBC Journal / Scopus index / Science direct index / Web of science index / Science Citation Index (SCI) Journals / Approved Journals whichever is applicable, provided those are included in the current list.

1.2 Responsibility in the Conduct of Research

LEAD College, Palakkad, Kerala, advocates a high standard of responsibility and ethical conduct from all people engaged in research. Faculty members are encouraged to publish joint research papers and to collaborate with students/experts from premium Institutions / Institutions of premium importance. Faculty members are urged to apply and work on funded projects offered by the government or private agencies and to apply for IPR. Faculty members and students, in all aspects of their research activity, must:

1.2.1 Demonstrate integrity and competence, objectivity and justice, and intellectual honesty

1.2.2 Effectively and transparently manage conflicts of interest or potential conflicts of interest

1.2.3 Confirm the safety and well-being of those associated with the research

1.2.4 Record and publish their methods and results in ways that are open to scrutiny and debate.

1.2.5 Publication of the research in international, peer-reviewed, and indexed journals with a good impact factor is expected.

1.2.6 Infringing the content of knowledge or work of others and malpractices including plagiarism are highly discouraged.

1.3 Committee for Promotion of Research (CPR)

The Director of this institution is the Chair of the committee, and every faculty member is a member of the Committee for Promotion of Research (CPR). Each member is responsible to establish the research culture in academia and among the students. Faculty members are responsible for organizing seminars/workshops/conferences / MDP's / FDP's in recurring funds from various National and International agencies. Also, they shall motivate the students, teachers, and corporate officials to contribute to research through publication in the LEADER journal.

1.4 Promotion of Research

1.4.1 The institution publishes a multidisciplinary journal, LEADER, to encourage academicians and students in their higher research and to provide a site for an exposition of their findings.

1.4.2 The college promotes and encourages by allocating Rs.10,000 per faculty member for every academic year to attend Workshops / Seminars/ Colloquium / Conferences / FDP. The minimum of any two events is mandatory for all faculty members to participate each year.

1.4.3 Each faculty member must publish a minimum of two Publications (ABDC / Scopus / Web of Science / Science Direct / SCI. Also, it is the responsibility of the faculty members to ensure the relevance and presence of their articles are to be in the above-mentioned existing journal list.

- a. The journal articles need to be published in the name of LEAD,
- b. The publications shall be as first and second author, first author will get full credits, and second author will get half credits (for incentives as well as for performance appraisal) However, if there is more than one author from LEAD for one publication, the total eligible amount for the publication may be shared among them in proportion mutually agreed by them.
- c. Collaborative research with the students shall be promoted with incentives.
- d. The author shall be alert about predatory journal publication
- e. After 6 months of publication the author must report to the Associate Dean / Deputy Director regarding the validation of the journal published.
- f. The author must have to share the DOI (Digital Object Identifier) of the publication to the Associate Dean/ Deputy Director

SL No	JOURNAL	POINTS
1	ABDC A Category	50 points
2	ABDC B/C Category	25 points for one publication
3	Scopus	30 Points
4	Peer reviewed	10 points
5	Any Standard	5 points

1.4.4 The college organizes regular research enrichment programs in the form of workshops, training and orientation talks and the expenses are met by the management.

1.4.5 Inculcating research aptitude among students' innovative ideas and social projects will be funded by the college.

1.4.6 As a travel grant, a maximum sum of Rs.10,000 per year will be provided to the faculty members who are invited to deliver lectures at National/International conferences or to present their findings in International Conferences. (This allocation is mentioned in clause 1.4.2 under promotion of research). (Annexure 1)

1.4.7 A stipend of Rs.20,000/- per month along with food and accommodation shall be offered to the full-time research scholars who support the teaching learning process, research publications and other institutional developmental activities, under the banner of LEAD College and during their stay on the campus for the 1st and 2nd year. From 3rd year onwards the stipend shall be increased to Rs.25,000 per month up to 5 Years. However, the recommendations of the supervisor will be considered based on the merit of the case.

1.4.8 University semester fee shall be reimbursed to the faculty members of LEAD College undergoing doctoral research for the first 3 years.

1.4.9 Faculty members can attend *Outstanding FDPs* in IIMs or institutions of National importance as per the list issued by the Deputy Director's Office every year, on the following conditions

- a. The faculty members have completed one year in LEAD.
- b. As per the score in the performance appraisal (Minimum 70% in at least 3 parameters other than parameter 5).
- c. The faculty member must enter a contract that after completion of the *Outstanding FDPs*, he or she will be serving LEAD for at least 3 years after the completion of the *Outstanding FDPs*. Under circumstances of a faculty member leaving the institution before the completion of such contract period, the full expenses shall be repaid (including the leave salary and promotional incentives), if such relieving happens within 2 years of the contract period and 50% shall be paid if such relieving happens after 2 years but within 3 years. The cost calculations shall be as per the clause 1.4.9.d.
- d. 50% of the course fee will be shared by LEAD. The salary during the period of FDP will be paid by the LEAD.
- e. Travel expenses will be borne by college as follows:

Assistant professor and Associate professor	- 3rd AC Train.
Professor, Dean(s), Director(s)	- 2nd Class AC Train.

Incentives

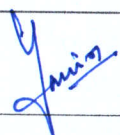

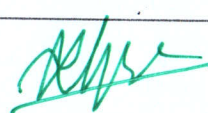

Sl.No	Academic Publications / Research	Amount (in INR)
